

Pitch Sessions:

The Pitch Sessions have become one of the most exciting parts of Ontario Contact. Artists, agents and/or managers have 5 minutes to strut their stuff. To talk about the artists they are representing, to encourage visits to the Contact Room to talk about their work, to entertain the presenters and invite them to bring them into their community to perform.

All is accomplished with a minimum of tech support, so go simple but effective. There will be access to a projector as well as a simple PA system.

Preference is given to those artists who applied to showcase and were unsuccessful, the rest are assigned on a first come first served basis. When you register as an Exhibitor you will be asked to fill out a survey and this is where you indicate that you wish to have a pitch session. You **must** have representation in the Contact Room to pitch. The reason for this requirement is simple; if you are not in the Contact Room interested presenters don't know where to find you!

Remember that we hold to a strict 5 minutes. The Pitch Sessions are taking place in at The Registry Theatre, 122 Frederick Street while in Kitchener.

The schedule will be prepared and posted on the Ontario Contact website following the September 15th Early Bird Registration deadline.

Remember, there will be limited tech available. We suggest that you bring what you need and one of our technicians will be on hand to assist.
